

Connecting 20s/30s to Jewish life and community in Philly today so they will choose to stay connected tomorrow.

LETTER FROM OUR CEO

There is a Jewish community for everyone. That is one of the twelve core values of Tribe 12--and a statement I deeply believe. So, the question that Tribe 12 is always asking ourselves is, how can we assure each person will find that Jewish community that is right for them. Our answer is simple. Tribe 12 provides the space for 20s/30s to discover and plug into the many incredible Jewish communities that are out there and to create their own when they are not.

I'd like to take this opportunity to thank everyone who is and has been part of the Tribe 12 community--from those who are involved in the many communities and events we run to our skilled and committed mentor network, from our generous donors to those who may have only met us once--but that encounter provided you with the Jewish introduction you were seeking. To everyone else--this is my invitation to connect and explore how you can find your new Jewish community through Tribe 12.

Cheers,
